Re: Your Current Long Distance Service Selection for:
• Phone Number

Dear Customer:

TNCI is a nationwide long distance reseller. We have recently acquired the rights to a long distance access service to which you are presently subscribed.

As a result, the existing long distance program you presently use will be terminated as of June 15, 2006. You will no longer be able to place direct dialed long distance calls from the above number(s) as of that date.

TNCI therefore would like to identify two options for your access to long distance:

1. Contact your Local Phone Company at (NPA-NXX-XXXX) to request an alternative Long Distance Program; or
2. TNCI can provide you with a Long Distance Program that requires a \$15.00 per month minimum. Fill out, sign, and return the enclosed TNCI Friends and Family Program Application. This will allow TNCI to establish your services in our billing system at an interstate rate of \$.XX per minute (intrastate rates will vary).

Please remember that you must choose one of the above options before June 15, 2006 to avoid interruption of your long distance service.

We thank you for your attention to this important matter.

Should you have any questions, please do not hesitate to call our Customer Care Team at 1-800-800-8400.

Sincerely,

C. R. Luca
